RE: Registration Re-Entry

Dear Mr. Rodriguez,

The Georgia Department of Public Health - Office of EMS and Trauma (“department”) supports the National Registry of Emergency Medical Technicians (“NREMT”) Re-Entry Program for all certification levels. The department will accept NREMT registration, obtained through the NREMT Re-entry Process, as part of the Georgia license application process.

Important Note: This letter of support expresses the department’s support of the NREMT Re-Entry Program and does not guarantee the recipient licensure in Georgia. All applications for Georgia EMS licensure must meet licensing requirements as set forth in the department’s Rules and Regulations 511-9-2.

Sincerely,

Ernie Doss, Deputy Director
Office of EMS and Trauma
Georgia Department of Public Health
