**SUBJECT: Required Equipment for Licensed EMS Providers**

**I. Purpose:**

The purpose of this procedure is to identify the equipment required on registered EMS vehicles (ambulances, medical first responder units, neonatal transport units, and air ambulances) in Georgia.

**II. General Provisions:**

- A. The description and items: FORM E-01-A - Required Equipment for Licensed EMS Providers is required and subject to inspection on registered vehicles - Ambulances.
- B. The description and items: FORM E-01-B - Required Equipment for Licensed EMS Providers is required and subject to inspection on registered vehicles - Neonatal Units.
- C. The description and items: FORM E-01-C - Required Equipment for Licensed EMS Providers is required and subject to inspection on registered vehicles - Medical First Responder Units.
- D. The description and items: FORM E-01-D - Required equipment for Licensed EMS Providers is required and subject to inspection on registered vehicles – Air Ambulances.
- E. Equipment lists can be found at the OEMS website [www.ems.ga.gov](http://www.ems.ga.gov).

**III. Approved Exceptions And Substitutions:**

- A. To seek an exception or substitution, a written request from the local EMS medical director must be sent to the appropriate Regional EMS Office.
- B. The service will be notified in writing if the request is approved.
