

Continuing Education Credits Opportunities

The organizations listed below offer courses that can be counted toward continuing education for health professionals, including Certified Asthma Educators. The Georgia Asthma Control Program (GACP) provides this list as a courtesy based on National Asthma Educator Certification Board recommendations. GACP and The National Asthma Educator Certification Board do not endorse this list. For more information on continuing education for Certified Asthma Educators, visit NAECB's website. If you experience problems with the links below, please email dph-asthmaprogram@dph.ga.gov.
