Signed (State whether Owner or Authorized Agent for the Owner) Date

* Trained Operator means the person to whom the Business Owner has delegated responsibility for the overall water quality, safety conditions, emergency procedures, maintenance and record keeping of the swimming pool facility. This person must complete a state approved pool operator's course. [1] Only public swimming pools that are associated with a commercial operation such as a tourist accommodation, health club or YMCA must comply. State, local and municipal public swimming pools are exempt.
