

Any Approved Hypoallergenic Infant Formula Powder

Reference Guide

Your medical provider has prescribed a variety of hypoallergenic formulas to provide increased flexibilities for WIC participants while at the store.

If your eWIC shopping list includes “Any Approved Hypoallergenic Infant Formula Powder” use the table below to identify approved formulas when purchasing your WIC benefits.

- One 12 – 20 oz can, counts as 1 can of your formula benefit.
- One 27 – 28 oz can, counts as 2 cans of your formula benefit.
