

## WIC APPROVED FOODS

The WIC Approved Foods posted on the Georgia Department of Public Health website at <http://dph.georgia.gov/vendor-information> are foods that are available to the WIC customer. **ONLY these foods may be purchased by the participant or proxy using the WIC food instrument.**

Because the brand names and types of infant formula as well as special medical foods are too numerous to list, approved foods will be printed directly on the front of the WIC food instrument. **The WIC customer is allowed to purchase the brand, type and size of infant formula or medical food that is printed on the front of the food instrument. Do not allow the WIC customer to purchase infant formula or medical food that is NOT listed on the food instrument.**

The vendor will receive an updated list of approved foods as changes are made and can always check the Georgia Department of Public Health website for current information. Vendors will periodically receive pamphlets and posters of WIC approved food items that can be used as displays or as a training resource.

### List of Infant Formula Wholesalers, Distributors, and Manufacturers

All vendor applicants and authorized vendors are required to purchase infant formula, to be exchanged for WIC food instruments, directly from a WIC approved supplier or manufacturer included on a list provided by the Georgia WIC Program. The Georgia WIC Program does not permit vendors to purchase infant formula from other authorized program vendors or retailers. Only purchases from the approved list will be permitted.

Records of the infant formula purchases must be maintained for a minimum of three (3) previous years plus the current year (or until any pending investigations are closed). In the event of an investigation, only purchase invoices from those approved suppliers will be considered as legitimate. The program may also require vendors to supply the program with written permission to confirm their infant formula purchase history with suppliers.

The approved list includes manufacturers registered with the Food and Drug Administration (FDA) as well as licensed wholesalers, distributors and suppliers. Only Georgia WIC approved Infant Formula is eligible for purchase and distribution. A current list is posted on the Georgia WIC Vendor Management (OVM) Website and available to applicants and authorized vendors. Manufacturers and wholesalers/distributors/suppliers are listed separately. The Infant Formula supplier list will be updated as suppliers are added or at a minimum, annually. Annual updates shall observe the Federal Fiscal year of October 1<sup>st</sup> through September 30<sup>th</sup>. Vendors may not appeal the State's decision to include or exclude an infant formula wholesaler, distributor or manufacturer from the approved list.

The Approved Infant Formula Suppliers list can be located on the Georgia WIC Vendor Management Website at: <https://dph.georgia.gov/vendor-information>.

### Obtaining Approval to be Placed on the Georgia WIC Approved Infant Formula Supplier List

Wholesalers, distributors, and suppliers may apply to be placed on the approved list by contacting the WIC Office of Vendor Management at 404-657-2900 or toll free at 1-866-814-5468.

The newly posted Georgia WIC Approved Infant Formula Supplier List will have an effective date that reflects the date that the last supplier(s) was added to the approved list.

### **Non-WIC Inventory Requirement**

All vendors except pharmacies are required to carry foods other than WIC approved foods. These food items must consist of qualifying food items approved by SNAP in addition to the WIC minimum inventory, WIC-approved foods, and foods that are intended for home preparation and consumption, such as meat, fish, poultry, bread, cereal products, dairy products, fruits, and vegetables. Items such as condiments and spices, coffee, tea, cocoa, carbonated and noncarbonated beverages are included in food sales only when offered for sale along with foods in the four (4) primary categories. Non-food items, alcoholic beverages, hot foods, or food that will be eaten on the store premises are not considered a part of USDA's definition of eligible foods.

At least two hundred (200) items in each of the following categories must be in stock at all times.

<b>Non-WIC Inventory Requirement</b>	
<b>Food Item</b>	<b>Minimum in each category</b>
<b>Meats, Poultry and/or Seafood</b> ( <i>refrigerated or frozen</i> )	200
<b>Breads and Cereal Products</b>	200
<b>Dairy</b> ( <i>e.g. milk, cheese, yogurt, etc.</i> )	200
<b>Shelf Staples</b> ( <i>e.g. flour, sugar, pasta, pudding mix, etc.</i> )	200
<b>Cans, Jars, Bottled Goods</b> ( <i>e.g. mayo, ketchup, relish, etc.</i> )	200
<b>Beverages</b> ( <i>e.g. soda, water, powdered drinks, etc.</i> )	200
<b>Snack Foods</b> ( <i>e.g. crackers, granola bars, etc.</i> )	200

## Minimum WIC Food Inventory Requirements

Vendors are **REQUIRED** to maintain in stock a minimum variety and quantity of the WIC foods as described in the chart below. An on-site inventory audit of the below mentioned WIC-approved food items is a component of the pre-approval and routine monitoring visits.

<b>Georgia WIC Program Minimum Inventory Requirements Effective July 12, 2021</b>				
<b>Food Item</b>	<b>Types/Brands</b>	<b>Size</b>	<b>Minimum Inventory</b>	<input checked="" type="checkbox"/>
<b>MILK</b> <u>Any brand allowed.</u> Kosher allowed. <ul style="list-style-type: none"> <li>No 2%, organic, evaporated filled or flavored milk</li> <li>No raw milk</li> <li>No nut milks</li> <li>No a2 milk, buttermilk, rice milk, coconut milk, pea protein plant milk, or oat milk</li> </ul> No dried whole milk (Nido)	Whole Milk	Gallon	4 Gallons	<input type="checkbox"/>
	Fat Free/Skim, Low-Fat (1%) <u>(size &amp; fat content as listed on voucher)</u>	Gallon	8 Gallons (Can be Combined)	<input type="checkbox"/>
<b>CHEESE</b> <u>Any brand allowed</u> <u>Kosher allowed</u> <ul style="list-style-type: none"> <li>Part-skim is allowed</li> </ul> Following forms are allowed: <ul style="list-style-type: none"> <li>Block</li> <li>Slices</li> <li>String</li> <li>Shredded</li> <li>Cubed</li> <li>Stick</li> </ul>	One Pound Package	16 oz (1 Pound)	5 - 1 lb Packages 2 Types	<input type="checkbox"/>
<b>EGGS</b> <ul style="list-style-type: none"> <li>Any Brand allowed</li> <li>Any grade allowed</li> <li>White or Brown eggs allowed</li> <li>No organic</li> <li>No added Omega 3, DHA or ARA</li> <li>No low cholesterol</li> <li>No free range, pasture-raised, natural cage free,</li> </ul>	Any size allowed (large, extra-large, jumbo, etc.).	1 Dozen Carton	4 - 1 Dozen	<input type="checkbox"/>

## Important Notes about the WIC Customer for Cashiers and Store Managers

The WIC customer:

1. May not use an eWIC card to purchase items not listed on the **eWIC card benefit balance**.
2. Must never be required to pay cash for items purchased, except for items purchased with the cash value **benefits (CVB), in excess of the amount of the CVB balance**.
3. Must be allowed to purchase all foods listed on the **eWIC card benefit balance**, regardless of price.
4. Must be afforded the same courtesies given to other store customers.
5. Must be permitted to purchase eligible food items without making other purchases.
6. Must be charged the same shelf prices as other non-WIC customers.
7. Must not be charged sales tax, except on the purchase amount that is in excess of the amount of the cash value **benefit**, if applicable.
8. Must be reported to Georgia WIC immediately if the **WIC participants attempts** to purchase foods that are not approved or create other problems in the store.
9. Must not be required to purchase every item on the **eWIC card benefit balance**.
10. Must not be contacted regarding **restitution or payment**.

### More Important Notes.

1. WIC approved foods purchased with a WIC food instrument / eWIC card cannot be returned for a cash refund.
2. WIC food instruments/ **eWIC cards** from other states must not be accepted.
3. If a manager is called to approve **an eWIC transaction**, it is imperative that the customer is not identified as a WIC participant, parent, caretaker and/or proxy. Every effort must be made to protect confidentiality and discussion of the transaction should be kept at a conversational level.
4. Separate checkout lines for the WIC customer are prohibited. Signs such as "WIC food instruments not allowed in this line" or "No Checks-No WIC" cannot be displayed. However, vendors who wish to ensure that the WIC customer does not enter certain lines, such as express lines, may post "Cash Only" signs in those lines.
5. The vendor must not provide refunds or permit exchanges for authorized supplemental foods obtained with WIC food instruments except for exchanges of the same brand and size of authorized supplemental food items when the original authorized supplemental food item is defective, recalled,

spoiled, or has exceeded its “sell by” or “best if used by,” or other date limiting the sale or use of the food item.

6. The WIC customer must be allowed to participate in in-store or manufacturer promotions that are available to all other customers, and that includes WIC approved food items. This includes ‘buy one get one or more free’ promotions.
7. The WIC authorized vendor, its paid or unpaid owners, officers, managers, agents and employees shall not engage in any activity with the WIC participant, proxy, or caretaker that would create a conflict of interest, as determined by Georgia WIC. Authorized WIC vendors are not permitted to act as a proxy for a WIC participant.
8. The vendor is not permitted to provide transportation for the WIC customer to or from the vendor’s premises.
9. The vendor is not permitted to deliver WIC approved foods to the WIC customer’s residence.
10. The vendor shall not take back items purchased by the participant, nor shall a vendor ask about obtaining food items that the participant chooses not to buy with the eWIC card.
11. The vendor must not provide unauthorized food or non-food items, cash, credit (including “rain checks”) in exchange for the eWIC card.

## Vendor Redemption and Pricing Assessments

Redemption data for all vendors will be reviewed on a quarterly basis, at a minimum.

WIC vendors are required to maintain competitiveness throughout the entire agreement period.

Non-competitive pricing for redemptions occurs when the amount paid per food instrument by Georgia WIC to a vendor, per quarter, for all food instruments except cash value benefits, exempt infant formulas, and medical foods exceeds the statewide average amount paid per food instrument redeemed within the peer group by more than 50% on 10 or more items. If a vendor is found to be non-competitive during an assessment, the vendor will receive written notice. If the vendor is identified as non-competitive for three (3) additional assessments, the vendor agreement will be terminated for a period of twelve (12) months.

Vendors are required to submit and maintain prices that are at, or lower than, other vendors currently participating in the program, within their designated peer group. Vendors must submit shelf pricing every six months (two quarter each year), at a minimum. If a vendor's prices are more than ten (10) percent higher than the maximum prices of others in its Peer Group on more than three (3) items – the vendor will receive a written notification that its pricing is not competitive. Vendors may be assessed at any time and those whose prices remain non-competitive for three (3) additional assessments, the vendor agreement will be terminated for a period of twelve (12) months.

Pharmacies and military commissaries are exempt from these redemption assessments.

## Vendor Cost Containment

Georgia WIC will conduct an annual assessment of each current vendor, except pharmacies and military commissaries, to determine if they derive more than fifty (50) percent of their food revenue from WIC food instruments. Vendors will also be assessed at re-authorization. New vendors will be assessed within six (6) months of authorization to determine if they derive more than fifty (50) percent of their food revenue from WIC food instruments.

Georgia WIC uses vendor reported shelf prices and redemption history to determine the Not to Exceed (NTE) amount for food items. Vendors will not be paid an amount that exceeds the NTE amount for a food item.

Vendors are encouraged to submit prices for new items as well as price changes of existing items at any time.

All vendors, except pharmacies and military commissaries, will be assessed at application, within six (6) months after authorization, and annually thereafter to determine whether they derive more than fifty (50) percent of their SNAP eligible food sales from WIC redemptions. Georgia WIC will conduct an initial Food Sales Assessment based on programmatic reports to determine whether a vendor is a Probable Above Fifty Percent Vendor (A-50).

Upon notification of Probable A-50 Status, vendors may challenge the initial findings by requesting a detailed Food Sales Assessment to demonstrate that their eligible food sales are less than their WIC sales.
