E-SIGN Act Disclosure and Consent ("Consent Agreement")

Pursuant to the Federal Electronic Signatures in Global and National Commerce Act ("E-Sign Act"), you have a right to receive any disclosures or notices in a non-electronic form. Before providing electronic signatures or obtaining legally required disclosures and notices electronically, please review and indicate your acceptance of the terms below. If you do not accept these terms or do not agree to the use of electronic disclosures and signatures, we will provide you with, or make available to you, any required disclosures on paper or non-electronic form at no additional charge to you.

- #### 1. Intent to Use Electronic Signatures

By clicking on the "I Agree" button below—which you hereby adopt as your electronic signature—you affirmatively consent and agree that you are signing this Consent Agreement electronically and your electronic signature on agreements and documents has the same effect as if you signed them in ink. You further agree that your electronic signature is the legal equivalent of your manual signature and will continue to be throughout the fingerprinting process. By clicking on the "I Agree" button below, you agree to the use of electronic signatures, such as your act of clicking, checking or otherwise manifesting your assent throughout the fingerprinting process. You further agree that your use of a key pad, mouse or other device to select an item, button, icon or similar act/action, or in providing or making any agreement, acknowledgement, or consent constitutes your signature (hereafter referred to as "E-Signature"), acceptance and agreement as if actually signed by you in writing. You also agree that no certification authority or other third party verification is necessary to validate your E-Signature and that the lack of such certification or third party verification will not in any way affect the enforceability of your E-Signature or any resulting contract.
- #### 2. Consent to Electronic Disclosures & Notices

By clicking on the "I Agree" button below, you consent to the electronic delivery of any disclosures, agreements, change notices, terms and conditions and any other documents throughout the fingerprinting process. Your consent applies to any disclosures and notices required to be provided to you in accordance with Federal or state law or regulations. You also agree that we do not need to provide you with additional paper (non-electronic) copies of the disclosures, agreements, change notices, terms and conditions and any other documents, unless specifically requested. If you would like to request additional paper copies of any of the aforementioned documents, you may do so at no additional charge to you by emailing CustomerService@fieldprint.com.
- #### 3. Withdrawal of Consent to Electronic Signatures & Electronic Disclosures

You may withdraw your consent to use electronic signatures or to receive electronic disclosures at any time by contacting us via email at CustomerService@fieldprint.com. Any withdrawal of your consent to receive electronic disclosures or to use electronic signatures will be effective only after we have a reasonable period of time to process your withdrawal. However, withdrawing your consent to this Consent Agreement will terminate your ability to provide electronic signatures and to receive disclosures and other documents electronically. Continuing to provide electronic signatures after withdrawing consent is reaffirmation of your consent to the use of electronic signatures under the E-SIGN Act.
- #### 4. You Must Keep Your Contact Information Current

In order for us to be able to provide you with important notices and other information from time to time, you must ensure that the contact information in your online profile is current. This includes, but is not limited to, name, address, phone numbers, and e-mail or other electronic addresses. In order to update your information, contact us via email at CustomerService@fieldprint.com.
- #### 5. Hardware and Software You Will Need

To use our online processes, you will need Internet Browser software that supports at least 128-bit encryption, a current version of a program that accurately reads and displays PDF files (such as Adobe Acrobat Reader), a printer if you wish to print out and retain records, disclosures, etc. on paper, and a current and valid e-mail address. You are responsible for the installation, maintenance, and operation of the computer and browser software that you use for these online services.

By clicking on the "I Agree" button below, you acknowledge that you are able to access information in the electronic form that will be used to provide the information that is the subject of this Consent Agreement.

Please indicate your consent to the use of electronic signatures and your consent to receiving disclosures and notices electronically by clicking on the "I Agree" button below. By providing your consent, you are also confirming that you have the hardware and software described above, that you are able to provide electronic signatures, and that you have an active email account. You are also confirming that you are authorized to provide this consent.

By clicking on the I Agree button I agree to the use of electronic signatures and to receiving documents and disclosures electronically.

If you DO NOT AGREE to the use of electronic signatures and to receiving documents and disclosures electronically, then please contact Fieldprint Customer Service at the following email address to assist you with a non-electronic option: CustomerService@fieldprint.com or call 888-472-8918.

Requesting Agency ID

The Georgia Department of Public Health (DPH) is the lead agency in preventing disease, injury and disability; promoting health and well-being; and preparing for and responding to disasters from a health perspective. In 2011, the General Assembly restored DPH to its own state agency after more than 30 years of consolidation with other departments. At the state level, DPH functions through numerous divisions, sections, programs and offices.

Locally, DPH funds and collaborates with Georgia's 159 county health departments and 18 public health districts. Through the changes, the mission has remained constant; to protect the lives of all Georgians. Today, DPH's main functions include: Health Promotion and Disease Prevention, Maternal and Child Health, Infectious Disease and Immunization, Environmental Health, Epidemiology, Emergency Preparedness and Response, Emergency Medical Services, Pharmacy, Nursing, Volunteer Health Care, the Office of Health Equity, Vital Records, and the State Public Health Laboratory.

Data Collection

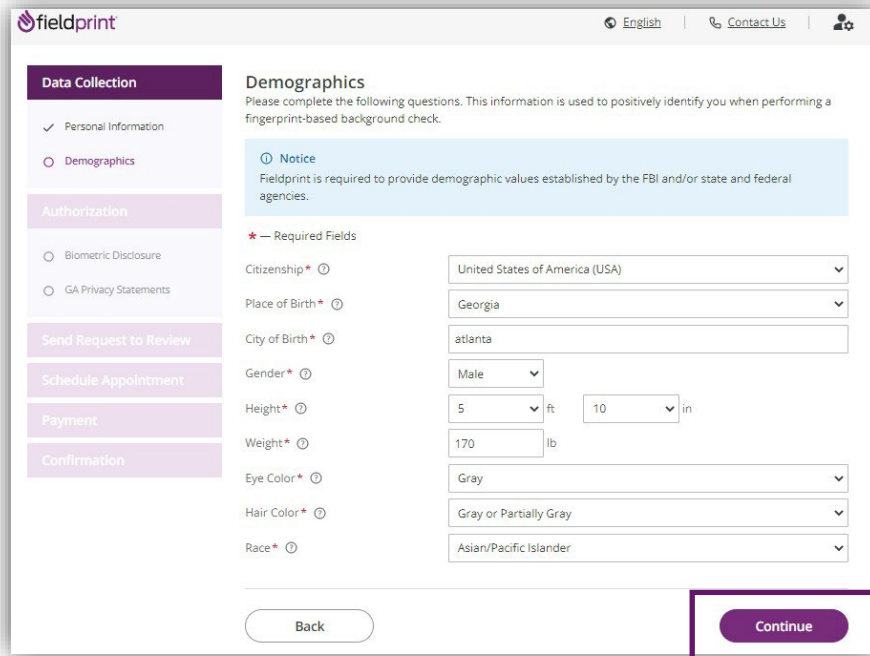

You will begin the Data Collection process by entering in all required **Personal Information**. Ensure that the information entered is consistent with the IDs you will be presenting at fingerprinting. A list of acceptable forms of ID is linked at the top of the page. This information should match what is on file with your Georgia agency, and discrepancies with this information could result in delays. Data fields are consistent with GBI and FBI standards.

You can enter in aliases by selecting Yes under Other Names. At the bottom, the preferred contact method will allow Fieldprint to reach you in the event of an issue. You may also elect to have an appointment reminder. Once all information is entered, click **Continue**.

The screenshot shows the 'Personal Information' form in the Fieldprint Data Collection interface. The form is titled 'Personal Information' and includes a notice about the accuracy of the information. It contains several sections: 'Acceptable Forms of ID' with fields for First Name, Middle Name, Last Name, and Suffix; 'Other Names' with a yes/no question; 'Social Security Number'; 'Address' fields (Line 1, Line 2, City, State, Zip Code); 'Mailing Address' fields (Address1, Address2, City, State, Zip Code); 'Date of Birth' (Month, Day, Year); 'Driver's License' fields (Number, State); 'Phone' fields (Primary, Alternate); 'Email' field; 'Preferred Contact Method' (Email, Phone); and 'Appointment Reminder' (Email, No). The 'Continue' button is highlighted with a red box.

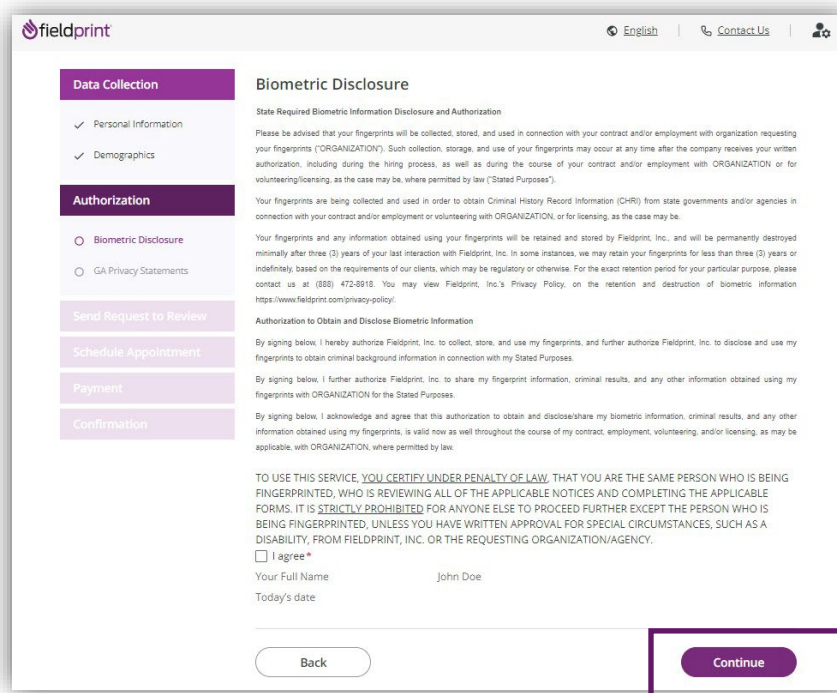

Next, enter all **Demographics** required for the fingerprint check.

The screenshot shows the 'Demographics' form in the Fieldprint interface. The left sidebar has a 'Data Collection' section with 'Personal Information' checked and 'Demographics' selected. Below it are 'Authorization' options: 'Biometric Disclosure' and 'GA Privacy Statements'. Further down are 'Send Request to Review', 'Schedule Appointment', 'Payment', and 'Confirmation'. The main content area is titled 'Demographics' and includes a notice about the requirement for demographic values. Below the notice is a section for 'Required Fields' with the following inputs: Citizenship (United States of America (USA)), Place of Birth (Georgia), City of Birth (atlanta), Gender (Male), Height (5 ft 10 in), Weight (170 lb), Eye Color (Gray), Hair Color (Gray or Partially Gray), and Race (Asian/Pacific Islander). At the bottom right, the 'Continue' button is highlighted with a red border.

Authorizations

You will next review the **Biometric Disclosure**. Click **I agree** and enter your full name to consent, and click **Continue** to move forward.

The screenshot shows the 'Biometric Disclosure' form in the Fieldprint interface. The left sidebar has 'Personal Information' and 'Demographics' checked, and 'Biometric Disclosure' selected under 'Authorization'. The main content area is titled 'Biometric Disclosure' and contains a 'State Required Biometric Information Disclosure and Authorization' section. This section includes a paragraph about the collection and use of fingerprints, followed by a paragraph about the retention and destruction of fingerprints. Below this is an 'Authorization to Obtain and Disclose Biometric Information' section with three paragraphs of text. At the bottom, there is a 'TO USE THIS SERVICE, YOU CERTIFY UNDER PENALTY OF LAW' section, followed by a checkbox for 'I agree' and fields for 'Your Full Name' (John Doe) and 'Today's date'. At the bottom right, the 'Continue' button is highlighted with a red border.

NON-CRIMINAL JUSTICE APPLICANT'S PRIVACY RIGHTS

As an applicant who is the subject of a Georgia only or a Georgia and Federal Bureau of Investigation (FBI) national fingerprint/biometric-based criminal history check for a noncriminal justice purpose (such as an application for employment or a license, an immigration or naturalization matter, security clearance, or adoption), you have certain rights which are discussed below. All notices must be provided to you in writing. These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.) Section 552a, and Title 28 Code of Federal Regulation (CFR), 50.12, among other authorities.

- You must be provided written notification that your fingerprints/biometrics will be used to check the criminal history records maintained by the Georgia Crime Information Center (GCIC) and the FBI, when a federal record check is so authorized.
- You must be provided an adequate written FBI Privacy Act Statement (dated 2013 or later) when you submit your fingerprints and associated personal information. This Privacy Act Statement must explain the authority for collecting your fingerprints and associated information and whether your fingerprints and associated information will be searched, shared or explained.
- You must be advised in writing of the procedures for obtaining a change, correction, or update of your criminal history record as set forth at 28 CFR 16.34.
- You must be provided the opportunity to complete or challenge the accuracy of the information in your criminal history record (if you have such a record).
- If you have a criminal history record, you should be afforded a reasonable amount of time to correct or complete the record (or decline to do so) before the officials deny you the employment, license, or other benefit based on the information in the criminal history record.
- If agency policy permits, the officials may provide you with a copy of your criminal history record for review and possible challenge. If agency policy does not permit it to provide you a copy of the record, you may find information regarding how to obtain a copy of your Georgia criminal history record at the GBI website: <https://go.georgia.gov/services/obtainmy-criminal-history-record-information-frequently-asked-questions>

Information regarding how to obtain a copy of your FBI criminal history record is located at the FBI website: <https://www.fbi.gov>

- If you decide to challenge the accuracy or completeness of your criminal history record, you should contact and send your challenge to the agency that contributed the questioned information. If the disputed arrest occurred in the State of Georgia, you may send your challenge directly to the GCIC. Contact information for the GCIC can be found at <https://go.georgia.gov/services/obtainmy-criminal-history-record-information-frequently-asked-questions>. Alternatively, you may send your challenge directly to the FBI by submitting a request via <https://www.fbi.gov>. The FBI will then forward your challenge to the agency that contributed the questioned information and request the agency to verify or correct the challenge entry. Upon receipt of an official communication from that agency, the FBI will make any necessary changes/corrections to your record in accordance with the information supplied by that agency. (See 28 CFR 16.30 through 16.34.)
- You have the right to expect that officials receiving the results of the criminal history record check will use it only for the authorized purposes and will not retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.

Privacy Act Statement

This privacy act statement is located on the back of the FD-256 fingerprint card.

Authority: The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Pub. L. 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

Principal Purpose: Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or otherwise responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

Routine Uses: During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

International Applicants

If you are an **international applicant**, you will not be able to use the Fieldprint Scheduling Website. Instead, you will use the following International Applicants process explained below:

1. The Georgia agency will provide you with the Originating Agency Identifier (ORI) and Reason for Fingerprinting (RFP) and then direct you to call Fieldprint at **844-886-0165**.
2. A Fieldprint representative will send you an email with the Georgia Privacy Statements waiver.
3. Once you return the waiver, the Fieldprint representative will create order in Hank (Fieldprint's fingerprint processing system).
4. While you are on the phone, Fieldprint will create an order based on the ORI/RFP provided and capture your Personal and Demographic information.
5. You will provide Fieldprint with payment.
6. Fieldprint will mail you a Printcard packet. The packet will contain two barcoded fingerprint cards, instructions and a return envelope. This packet will be mailed to the address you provide.
7. You will need to be fingerprinted on the cards and mail them back to Fieldprint.
8. Fieldprint will then scans the print cards into system and electronically submits them to GBI-AFIS.
