GEORGIA'S DEATH REGISTRATION SYSTEM  
IS AS EASY AS 1-2-3!

# GIVERS

GEORGIA VITAL EVENT REGISTRATION SYSTEM

## Step 1: Log in at

<https://gavers.dph.ga.gov/Welcome.htm>

Enter your USER ID, Password and 6-digit PIN number.

## Step 2: Enter Decedent's Information

Once you log in, the GIVERS home screen will appear. Click on the **Death Module** and begin completing the decedent's information. As the Medical Certifier, Medical Examiner, or Coroner, complete medical tabs 2-4. GIVERS requires that you tab through each field whether you are entering data or not. Save the information and review for accuracy.

## Step 3: Enter your PIN number to electronically sign

After entering the required information and your 6 digit PIN number, the record is medically certified. This completes your interaction with the record.
