Bootcamp: We want to keep you guessing – and challenge you differently in every class! Workouts are designed to improve your overall fitness – strength, cardio, flexibility, agility and endurance! You will have fun, but be prepared to work hard!

Cycle: Get ready for the ride of your life and kick your workouts into high gear! Each session can burn 400+ calories! Guaranteed to make you sweat, this 45 minute class is for all levels. Bikes are on first come first serve basis.

Ab Lab: Shred your core in this fast pace 30 minute class. Perfect your basic core exercises while learning new strategies to achieve your picture perfect midsection.

HIIT: "High Intensity Interval Training" has been scientifically proven to be the most effective way to pack in a high calorie burning workout in a short period of time. In this class, your heart rate will be on a 30 minute roller coaster, and when you leave, your metabolic rate will be through the roof for the next 24 hours.

Pilates: This class is considered the art of controlled movement. If practiced consistently, this class will help improve strength and flexibility while building endurance and control throughout your entire body.

HIIT the Core: "High Intensity Interval Training" combined with your favorite core exercises. This type of fat burning workout is the perfect combination for increasing your heart rate and tightening your abdominals. During this class you will be moving constantly while having fun!

Body Flex: This total body strength training workout uses barbells, dumbbells, and various resistance training equipment to achieve maximum strength benefits. Shape and sculpt your body in this effective format. This class is appropriate for everyone.

Muscle Pump: Do you want to hit a specific muscle group each week? If so, this is the class to attend. We will target certain muscle groups each class. This will help you increase muscle on specific areas, and you will work up a sweat.

Tabata: Similar to HIIT, this workout is designed to improve anaerobic and aerobic fitness. This class uses extreme exercises by completing 20 seconds of work followed by 10 seconds of rest, typically repeated 8 times or 4 minutes. Come ready to work!
