

# Newborn Screening Training Resources

## Georgia Newborn Screening Program

### Training Resources

The Georgia Newborn Screening (NBS) Program has training resources available for review and download on the program's webpage: [dph.georgia.gov/NBS/nbs-providers](http://dph.georgia.gov/NBS/nbs-providers). Training resources include training videos, training modules, and downloadable materials. Contact the Georgia Newborn Screening Program at [DPH-NBS@dph.ga.gov](mailto:DPH-NBS@dph.ga.gov) if you have specific training needs.

### Newborn Dried Blood Spot Specimen Collection Training Resources

## Delayed Screening Reporting Resources

DPH's delayed screening report form should be used to report delayed screening results for hearing and CCHD screenings that were not reported on the dried blood spot card at birth.
