

Non-Contract and Store-Brand Formula Reference Guide: Temporary Formula Vouchers

Georgia WIC has temporarily expanded the list of approved infant formulas to allow for increased flexibilities in issuing benefits to WIC participants. New vouchers aid in the ability of the participant to buy non-contract and store-brand formulas when contract formulas are not available.

You have been issued a non-contract and store brand hypoallergenic infant formula food package.

Review your vouchers to determine which of the following voucher codes you have been issued: **T53**, **T54**, or **T60**.

Use the table below for additional detail and assistance with redeeming your WIC benefits.
