3

A brief look at renewals as of 10am today

| | |
|--------------------|-------------|
| EMT | 1102 |
| EMT-Intermediate | 1453 |
| Advanced EMT | 664 |
| Cardiac Technician | 9 |
| Paramedic | 1746 |
| TOTAL | 4974 |

GEORGIA DEPARTMENT OF PUBLIC HEALTH

4

Agenda

- Changes we have made and why
- TRAIN Georgia
- Continuing Education Policy
- Reminders
- Feedback/Questions

GEORGIA DEPARTMENT OF PUBLIC HEALTH

5

Changes we have made and why...

GEORGIA DEPARTMENT OF PUBLIC HEALTH

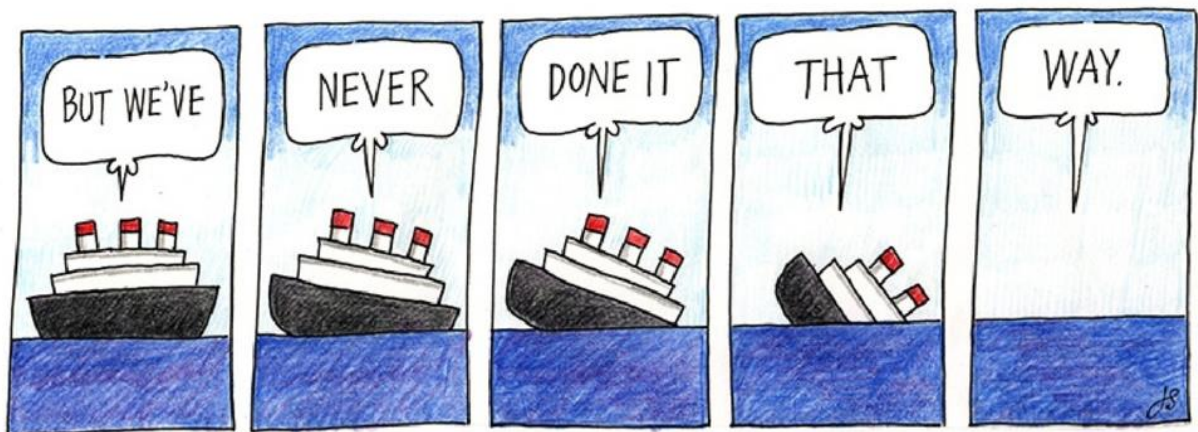

6

Why...where did ALL these changes come from?

- To address the workforce needs of the future, we are starting at the beginning – with EDUCATION
- EMSAC Education and OEMS analyzed data on retention/pass rates, and as a result, several changes were suggested:
 - Instructor Licensure changes → New Instructor License Levels
 - More data → Data reporting requirements for Educational Programs (in LMS)
 - Standardized policies → New policies on initial education and continuing education

GEORGIA DEPARTMENT OF PUBLIC HEALTH

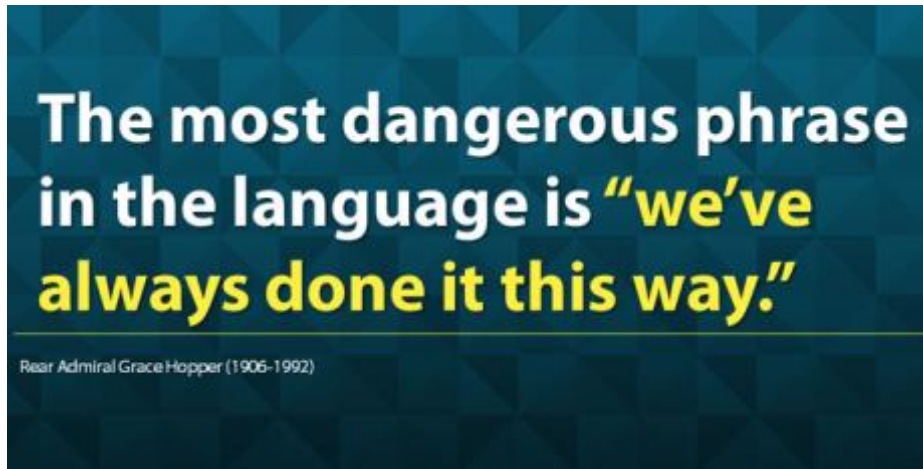

7

GEORGIA DEPARTMENT OF PUBLIC HEALTH

8

The most dangerous phrase...

GEORGIA DEPARTMENT OF PUBLIC HEALTH

9

FERPA Form

- We are trying to protect you!
- The FERPA form is a signed document that the student MUST complete to allow you to release educational information to the Department
- This absolves the program of any issues/concerns that a student may have about their records being released

GEORGIA DEPARTMENT OF PUBLIC HEALTH

10

Terminal Competency

- Past → you had to upload CPR, ACLS, TIM
- Now → Upload Terminal Competency Form
- Overall, this reduces the amount of paperwork which must be uploaded to allow a student to be cleared to test
- In review it is a snapshot to see how well your students are doing on certain modules as group

GEORGIA DEPARTMENT OF PUBLIC HEALTH

11

COVID Changes

- Modified standards based on the needs of programs and the workforce during COVID
- Still have to meet MINIMUM state requirements
- The Department sought counsel and made modifications where there were opportunities to ensure that students were able to complete programs and enter the workforce

GEORGIA DEPARTMENT OF PUBLIC HEALTH

12

Other Changes

- EMSEAC
- Regional Councils now MUST have an Education and Training Committee
- Regional Training Coordinator in EVERY region
- New State EMS Training Coordinator
- TRAIN Georgia (more to come)

GEORGIA DEPARTMENT OF PUBLIC HEALTH

13

Where did all these new ideas come from?

GEORGIA DEPARTMENT OF PUBLIC HEALTH

14

EMS Strategic Plan for Georgia

Strategic Goal #1:

Ensure quality initial education for EMS personnel

- A) Develop statewide EMS educators' consortium
- B) Identify characteristics of successful EMS initial education programs
- C) Increase resources available for initial EMS education programs
 - a. Increase provider access to course availability
 - b. Increase number of instructor courses
 - c. Develop funding pathways to increase continuing education opportunities
- D) Ensure EMS initial education programs meet minimum standards
 - a. Require programs to public disclose course outcomes (ie., first time pass rates, employment, retention, etc..)
 - b. Develop and apply accountability measures for program/course outcomes
- E) Model education program approval after the current accreditation standards
 - a. Review and approve programs, not individual courses

GEORGIA DEPARTMENT OF PUBLIC HEALTH

15

EMS Strategic Plan for Georgia

Strategic Goal #2:

Ensure quality continuing education for EMS personnel

- A) Secure online learning management system for the State Office of EMS/Trauma
- B) Ensure CEUs meet requirements of evidence based and practice analysis
- C) Increase collaboration with academic institutions and promote life-long learning

Strategic Goal #3:

Update EMS Instructor licensure process and EMS initial education approval process

- A) Align the instructor licensure process levels to SOP levels and to accreditation requirements

Strategic Goal #4:

Advocate for State Educators position

GEORGIA DEPARTMENT OF PUBLIC HEALTH

16

OEMS ID

- Users without a medic license will create a profile on the LMS (students, nurses, physicians, etc.)
- The system will autogenerate a user ID (GA-2021-0000) this ID will be unique to each user and will be used to import courses from TRAIN-GA
- Initial Education students will use this number as their GEMSIS Elite ID number to complete PCR's

GEORGIA DEPARTMENT OF PUBLIC HEALTH

17

Where to find it = LMS

The screenshot shows the 'Public Personnel Lookup' page on the Georgia Department of Public Health LMS. The page has a navigation bar at the top with links to 'OEMS Homepage', 'Office of Cardiac Care', 'OEMS Trauma Program', and 'Medic License Renewal'. On the left side, there is a sidebar menu with options: 'Account Login', 'Training', 'Lookup' (which is highlighted with a red bar), 'Personnel', 'Agencies', and 'Training Report'. The main content area is titled 'Public Personnel Lookup' and contains the following text:

Enter your search criteria to locate any specific personnel.

Any medic who was licensed prior to 2008 may have an issue date that is not correct. This is due to the previous license system that was used. Sometimes previous licenses were not included as well (if they were licensed before 2008), especially Cardiac Technicians.

Any Current License Number/OEMS ID that begins with "GA-XXXX-" is NOT a license number, but it is the GA OEMS ID for use with Train.org (OEMS Classroom).

Below the text, there are four input fields:

- Application Level:** A dropdown menu with the text 'Select Application Level' and a downward arrow.
- First Name:** A text input field.
- Last Name:** A text input field.
- Suffix:** A text input field.

| No Records | | | | | | | |
| Investigation Date | | Public Disposition | | | Investigation Status | | |
| No Records | | | | | | | |

GEORGIA DEPARTMENT OF PUBLIC HEALTH

19

Who is EMSAC? Who is EMSEAC?

GEORGIA DEPARTMENT OF PUBLIC HEALTH

20

EMSAC

- DPH Rule 511-9-2-.03 (1) Statewide Emergency Medical Services Advisory Councils
- **Purpose:**
 - A statewide Emergency Medical Services Advisory Council (EMSAC) shall be established to advise the Department in matters essential to its operations with respect to emergency medical services systems.
- **Membership:**
 - At least one representative from each of the state's ten EMS Regions;
 - At least one representative from each of the following systems of care: Cardiac, Stroke, Trauma, Pediatrics, Perinatal Care/Obstetrics
 - A representative from the statewide Emergency Medical Services Medical Director's Advisory Council;
 - **A representative of EMS education;**
 - A representative from a fire/rescue service;
 - A representative from an emergency management agency;
 - At least one representative from each of the following EMS agency license types: Ground Ambulance, Neonatal Ambulance, Air Ambulance, Medical First Responder
 - At least one representative from each of the following EMS agency ownership types: Government (City, County, or State), Private (Corporation, Limited Liability Company, Sole Proprietorship, or other entity), Hospital
 - Consumers or experts in the field of EMS.

GEORGIA DEPARTMENT OF PUBLIC HEALTH

21

Who gets on EMSAC? How can I attend?

- Members are appointed by the DPH Commissioner or his/her designee for a term specified in EMSAC's bylaws.
- ALL EMSAC meetings are open to the public!
 - Go to: www.ems.ga.gov
 - Click on **Public Notices, Regional and Statewide Meetings**

General Information

Course Name: Caring for Children During Disasters: Decontamination

Course Type: Continuing Education - TRAIN

Status: Approved

Training Date: 03/18/2021 - 03/18/2023

Test Date:

Attendee Signup Date:

Region Held:

Region Approving:

Location: TRAIN National

Description: Register on TRAIN.org = <https://www.train.org/georgia/course/1082970/>

The purpose of the Caring for Children During Disasters: Decontamination educational module is to provide education and resources that can assist providers in identifying the needs of pediatric patients before, during, and after decontamination. This course is designed to build on existing knowledge regarding general decontamination procedures and outline specific pediatric components that should be incorporated into an organization's decontamination plans in order to address the of children. A number of topics will be discussed including:

Risk Factors
Safety and Security
Children with Special Health Care Needs/Children with Functional and Access Needs
Communication
Prevention of Injury
EMS Needs & Challenges
Assistive Devices & Service Animals

It is our hope that pre-hospital and hospital professionals utilize these materials to further enhance the care of children before, during, and after disasters.

Approved for 0.75 hours Pediatric CE.

Topics: CEU: Provider - Pediatrics

GEORGIA DEPARTMENT OF PUBLIC HEALTH

31

Definitions for TRAIN Georgia

- **Learner:** Any health professional, public or private practice, that uses the TRAIN National or Affiliate TRAIN sites to find, register for, or track his or her participation in training opportunities.
- **Course Provider Organization or "Organization":** Agency/entity that offers courses on TRAIN Georgia.
- **Course Provider:** Agency staff designated with creating or adapting, posting, managing, maintaining, and/or delivering training content in their area of responsibility via TRAIN Georgia.

Georgia OEMS ID Number

- **MUST match your CURRENT Primary ID # in LMS**
- **For medics (not provisional, not temporary):**
 - **ONE LETTER**
 - **SIX DIGITS**
 - **Example:**
 - ❑ **E012345**
 - ❑ **I023456**
 - ❑ **A000123**
 - ❑ **C000012**
 - ❑ **P004409**
- If your license # updates...need to update number in TRAIN

Georgia OEMS ID Number

(Fields marked below are required)

Please enter your Georgia OEMS ID Number:

If you are a licensed Georgia medic (EMT, EMT-Intermediate, Advanced EMT, Cardiac Technician, Paramedic), this is your Georgia medic license number (e.g., P000000).

If you are not a Georgia medic, but you are a Georgia licensed EMS Instructor or Instructor/Coordinator, this is your Instructor license number (e.g., I/C-A-0000).

If you are not a medic or an instructor but you are a Georgia EMS student, this is the student number generated by the Office of EMS.

If you do not have any of these numbers yet, just put "Pending" and you can change it once you get your license number.

To confirm your license number (or student number), please lookup your number [here](#) (look for "Current License Number"):

I want to be a Course Provider Organization

- A few points...
 - Courses must still be submitted for approval in LMS (if you want issue CEUs)
 - For interactive courses (SCORM) → you must have your own webspace (cheap \$) and authoring software (some \$\$)
 - We will have future trainings specific to being a Course Provider

GEORGIA DEPARTMENT OF PUBLIC HEALTH

37

What is SCORM?

- SCORM = **S**hareable **C**ontent **O**bject **R**eference **M**odel
- A set of technical standards for eLearning software products.
- SCORM tells programmers how to write their code so that it can “play well” with other eLearning software. It is the de facto industry standard for eLearning interoperability. Specifically, SCORM governs how online learning content and learning management systems communicate with each other.
- SCORM does not speak to instructional design or any other pedagogical concern — it is purely a technical standard.
- TRAIN is compliant with SCORM 1.2

GEORGIA DEPARTMENT OF PUBLIC HEALTH

38

WebSpace?

- Online storage of content
- AWS S3 Storage (5GB free for one year)
- Under \$20/month
- We need you!!
 - We will be seeking out some agencies, instructors, and initial education programs to generate content for the system.
- NOT Required if posting files or quizzes/exams on TRAIN.

GEORGIA DEPARTMENT OF PUBLIC HEALTH

39

Authoring Software

- Adobe Captivate
- Articulate Storyline
- Atomi ActivePresenter 8
- iSpring Suite
- Udutu Online Course Authoring
- Most, if not all have free trials.
- NOT Required if posting files or quizzes/exams on TRAIN.

GEORGIA DEPARTMENT OF PUBLIC HEALTH

40

Course Types in TRAIN

| | | |
|---|--|--|
| <u>SCORM Course</u>  Add a new SCORM course to the system. | <u>External Content</u>  Add a new reference to external content. | <u>Physical Media</u>  Add a new Physical Carrier course to the system. |
| <u>Live Event (In Person)</u>  You will be able to schedule multiple repeating sessions for a live event course. | <u>Live Event (Online)</u>  Add a new Live Event Online. | <u>Zoom Meeting</u>  Add a new course based on a Zoom Meeting. |
| <u>Exercise</u>  Add a new Exercise course to the system. | <u>Conference</u>  Add a new Conference. | <u>Blended Learning Series</u>  Wizard with BLS Course Format |

GEORGIA DEPARTMENT OF PUBLIC HEALTH
OEMS-CE-2021-001
EMS CONTINUING EDUCATION

| | | |
|-----------|--|------------|
| |  | XX/XX/2021 |
| Approval: | Richard Rhodes, State EMS Training Coordinator, Office of EMS and Trauma | Date |
| |  | XX/XX/2021 |
| | David Newton, Director, Office of EMS and Trauma | Date |

1.0 PURPOSE

The purpose of this policy is to establish minimum standards and guidelines for educational activities that may be used by EMS personnel (Medics, Instructors and Instructor Coordinators) to earn continuing education (CE) contact hours toward relicensure in accordance with DPH Rules. The EMS continuing education should consist of educational activities designed to promote and enrich knowledge, improve skills, and develop attitudes for the enhancement of professional practice, thus improving the quality of emergency medical services provided to the public.

Nothing in this policy is intended to restrict the authority of EMS agencies, initial education programs or medical directors to establish higher standards and requirements for continuing education activities that must be completed to acquire or maintain authorization to practice within an EMS agency or authorization to teach in an EMS initial education program.

2.0 AUTHORITY

The Georgia Department of Public Health, Office of EMS and Trauma, OEMS-CE-2021-001, EMS Continuing Education Policy is published under the authority of the Department and in compliance with the following:

2.1 Official Code of Georgia Annotated (O.C.G.A.):

- 2.1.1 O.C.G.A. § 31-2A-6,
- 2.1.2 O.C.G.A. § 31-11-5,
- 2.1.3 O.C.G.A. § 31-11-51,
- 2.1.4 O.C.G.A. § 31-11-52,
- 2.1.5 O.C.G.A. § 31-11-50, and
- 2.1.6 O.C.G.A. § 31-11-58.1.

2.2 EMS Rules and Regulations 511-9-2:

- 2.2.1 511-9-2-.13,
- 2.2.2 511-9-2-.16,
