Reminders

- OEMS Updates on our website – www.ems.ga.gov
  - Not all updates are emailed out – some are posted on the OEMS COVID-19 page
  - https://dph.georgia.gov/EMS/oems-covid-19
- EMS Personnel → Put your email in LMS; Agencies, remind medics to login to LMS
- EMS Agencies → Update rosters and Key Personnel & Check the expiration date of your medics

Service Directors, we need your help!

- Please let your medics know that they need to have their email in the system
- As of 7/16/2020 – 4,985 medics do not have an email in the system
  - Most expire next year (3/31/2021)
  - We can't send reminders of expirations and medics can't enter their CEUs (or sign up for classes on LMS) until they enter their email address into LMS!
  - Waiting till March 30, 2021 at 11:00pm is not a good idea

Testing Positive

If a Patient Tests Positive

- We will notify you (if you have given us the name/DOB)
- Work to determine exposure risk with your infection control office and Medical Director – if exposure for a Medic – follow CDC/DPH guidance on return to work

If a Medic Tests Positive

- Agency needs to work with local/district health department, agency infection control officer and medical director to determine exposure risk to patients and other crew members – notify patients as appropriate
- Medic needs to inform all EMS agencies and follow DPH isolation order
- Medic needs to work with contact tracers

TRANSFER OF CARE

Pt Received By: *(Print Name)* ________ Transfer of Care Time: ____:____

Signature of Person Receiving Pt: ________

This form is to be used by EMS personnel to provide Pt care information to the receiving facility upon delivery of the Pt, and should **BE LEFT AT THE RECEIVING FACILITY PRIOR TO DEPARTURE OF THE CREW. THIS FORM DOES NOT REPLACE THE NEED TO SUBMIT AN ePCR.** Agencies must submit ePCRs to GEMSIS Elite within 24 hours of call completion, and hospitals may access those patient care reports on Hospital Hub. To gain access to Hospital Hub, please contact your Regional EMS Director (go to https://dph.georgia.gov/EMS and click on Regional EMS Systems) and they will forward your request.

Quick Reports

UPDATE (7/2/2020) EMS Quick Report Form - click on the version you need (Excel , PDF)

The Office of EMS and Trauma has established this form to be used by EMS personnel to provide patient care information to the receiving facility upon delivery of the patient until a prehospital care report can be completed and submitted through GEMSIS Elite. This new Quick Report complies with the Emergency Rule listed above.

Notes on the Quick Report Form:

- THIS FORM DOES NOT REPLACE THE NEED TO SUBMIT AN ELECTRONIC PATIENT CARE REPORT (ePCR).
- Agencies should submit ePCRs to GEMSIS Elite within 24 hours of call completion, and hospitals may access those patient care reports on Hospital Hub. To gain access to Hospital Hub, please contact your Regional EMS Director and they will forward your request.
- EMS Agencies may adapt this form and place their agency name on it, as long as the minimal information is kept on this document.
- By using this form (or one substantially similar to it), hospitals are more quickly able to contact the agency and specifically the crews if a patient that they transported tests positive for or is suspected of having COVID-19.

“Out of County” Diversion

- There is NO such thing!
- If you get told this:
  - *Don’t argue*, but *explain* why you are bringing the patient there
  - Contact your Regional EMS Director immediately!!

We Are Here To Help

…but…before it becomes an issue…

Do it now before it's too late!!
whatever, i'm late anyway

- Work out a plan with all the ERs you transport to
- Sometimes hospitals do actually go on “diversion” – respect this if you are able to (i.e. CT Scanner down, etc)
- Communicate with your patients
- In the middle of a transport is NOT the time to have this discussion

Education Programs

ANY modifications to currently approved programs must notify and obtain approval from Regional EMS Training Coordinator PRIOR to the modifications

Submit your spreadsheets

- we are aware of the calculated field error on the clinicals/field tab

- summative review hours – don't include them on the spreadsheet (will be added later in LMS)

Spreadsheet Questions

- After we review the spreadsheets, we will have a separate meeting with just the Initial Education Program Directors to discuss the new process in LMS
  - Attendance at this will be mandatory

Simulations

- Must be approved FIRST, and must follow minimums on the NEW file review forms
- https://dph.georgia.gov/EMS/ems-forms-and-related-documents
- No simulation hours for state minimums for EMT or AEMT

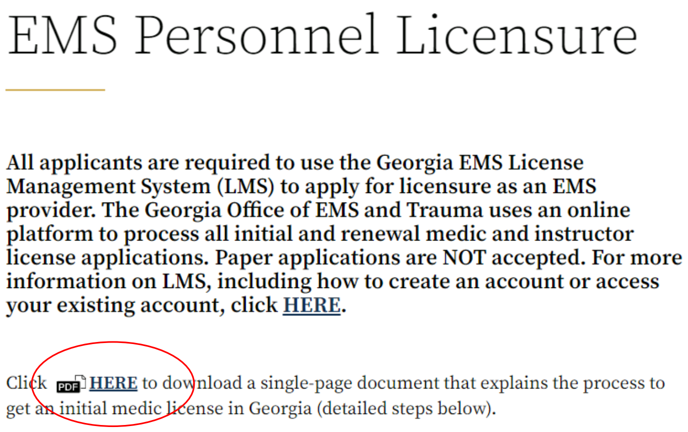
Initial Licensure – still some confusion over new process

- https://dph.georgia.gov/ems-personnel-licensure



EMS Personnel Licensure

All applicants are required to use the Georgia EMS License Management System (LMS) to apply for licensure as an EMS provider. The Georgia Office of EMS and Trauma uses an online platform to process all initial and renewal medic and instructor license applications. Paper applications are NOT accepted. For more information on LMS, including how to create an account or access your existing account, click HERE.

Click PDF HERE to download a single-page document that explains the process to get an initial medic license in Georgia (detailed steps below).

Steps to apply for Initial EMS Personnel Licensure in Georgia

Detailed Steps listed on DPH OEMS Licensing Webpage: https://dph.georgia.gov/ems-personnel-licensure

TOTAL COST FOR Fingerprinting & License Application: $124.25 - $135.00 (plus $2.25 beginning 8/2/2020)

Step (Please read this entire document before you start)	Completed
Step 1: Complete Fingerprint Background Check Applicant Registration	

• All applicants MUST use the Georgia Applicant Processing Service **(GAPS)** for the submission of your fingerprint-based criminal history records check. The department does *not* accept criminal history reports from the applicant or other sources.
• Detailed steps on how to register for GAPS on Licensing Webpage
• COST (Paid to GAPS)
  ○ $49.25 (if fingerprinted in GA) ($51.50 as of 8/2/2020)
  ○ $57.25 (if mailing fingerprint card) ($59.50 as of 8/2/2020)
	☐

Step 2/3: Apply on LMS for EMS License (www.mygemsis.org/lms)	

• **Gather** your documents and have them scanned onto your computer as PDF files (Details of Acceptable documents for each are on Licensing Webpage) – these will be uploaded into the Application on LMS:
  ○ Certs: CPR Card & ACLS Card (Paramedics)
  ○ Verification of Lawful U.S. Residency form (must be notarized)
    ▪ If you are not a U.S. Citizen, additional documents are required
  ○ Verifiable Document (Driver's License/Passport/etc)
	☐

• **Submit** and pay for application on LMS (www.mygemsis.org/lms)
  ○ Choose and complete/submit correct application **(under Applications)**
    ▪ **Fully Nationally Registered** (you have passed cognitive & psychomotor exam) or have current ATP
      • Use application entitled *Initial EMT License*, *Initial AEMT License*, or *Initial Paramedic License*
    ▪ **Provisionally Nationally Registered** (you have passed ONLY cognitive exam)
      • Use application entitled *Provisional License Application – EMT, Provisional License Application – AEMT*, or *Provisional License Application - Paramedic*
	☐

○ **Pay Non-Refundable Application Fee**
    ▪ $75 Application Fee (process is ***much*** slower if mailed)
    ▪ $2.75 Additional Fee for Credit/Debit
	☐

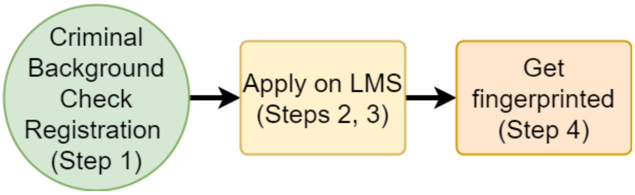
Step 4: Get Fingerprinted after OEMS clears you in GAPS	
• OEMS will clear you in GAPS to get fingerprinted once we have a correct, completed/submitted and paid for License application in LMS • Detailed steps on how to get fingerprinted are emailed to you & are on Licensing Webpage (must be completed within 30 days after OEMS clears you for fingerprinting)	☐

NOTES

- DPH Website-Licensing Information: https://dph.georgia.gov/ems-personnel-licensure
- Have ALL of your documents and your available funds READY to go BEFORE you start this process.
- READ AND FOLLOW ALL INSTRUCTIONS carefully – if the instructions aren't followed carefully, the licensing process is delayed.
- CHECK YOUR EMAILS AND READ THEM carefully. Emails will come to you from GAPS/LMS/OEMS – this is official communication, so please check your emails, read them, and follow any instructions carefully.
- **Applicants must complete this process themselves** – agencies are *NOT* permitted to apply for a student/applicant. Agencies may guide the applicant, but the actual application must be completed ***by the applicant***.
- You must have current NREMT (provisional or full) or current ATP BEFORE you start this process!

We protect lives.

Initial License Application Check-List



Criminal Background Check Registration (Step 1) → Apply on LMS (Steps 2, 3) → Get fingerprinted (Step 4)

Please NOTE – GAPS Price for Fingerprint Background Checks goes up by $2.25 on 8/2/2020

NOTES

- READ AND FOLLOW ALL INSTRUCTIONS
- Have Documents and $$ READY
- CHECK YOUR EMAILS AND READ THEM
- Applicants must complete this process themselves – agencies are NOT permitted to apply for a student/applicant.
- You must have current NREMT (provisional or full) or current ATP BEFORE you start this process!

NREMT – Traditional vs. Provisional

- Applicants should really know which one they are – this helps them choose which application to fill out
- CHECK THE NREMT Website!!! – Don't apply for the wrong license – it just delays the processing

TRADITIONAL	PROVISIONAL
CBT – Passed	CBT - Passed
PSE – Passed	PSE – Not taken or still with attempts remaining (NOT yet passed)

If you are a Provisional Licensee, N = 158

- Expiration Date = 12/31/2021
- No restrictions on license
- Must convert to Traditional before 12/31/2021 – no charge
    - Please call us at 770-996-3133 and let us know when the NREMT website indicates that you are FULLY Nationally Registered – we will convert your license manually
- If applying on 1/1/2022 – normal license fee and background check

NOT Renewable!

My Current Role: My Certification

PROVISIONALLY CERTIFIED

- Our records indicate you are currently provisionally certified at the **EMT** level **from 3/31/2020 to 12/31/2021**.
- National EMS certification requires successful completion of both a cognitive (computer based) and a psychomotor (skills) examination.
- Provisional certification has the same training requirements and cognitive examination as the full certification, but there is no independent psychomotor examination or verification of BLS skills.
- State EMS Offices may require supervision or practice limitation be considered because the psychomotor exam was not fully completed.
