### BEFORE PREGNANCY

The first questions are about you.

1. **How tall are you without shoes?**
   - Feet
   - Inches
   OR  
   - Centimeters

2. **Just before you got pregnant with your new baby, how much did you weigh?**
   - Pounds
   OR  
   - Kilos

3. **What is your date of birth?**
   - Month
   - Day
   - Year

The next questions are about the time **before** you got pregnant with your new baby.

4. **Before you got pregnant with your new baby, did you ever have any other babies who were born alive?**
   - No
   - Yes
   Go to Question 7

5. **Did the baby born just before your new one weigh 5 pounds, 8 ounces (2.5 kilos) or less at birth?**
   - No
   - Yes

6. **Was the baby just before your new one born earlier than 3 weeks before his or her due date?**
   - No
   - Yes

7. **At any time during the 12 months before you got pregnant with your new baby, did you do any of the following things?**
   For each item, check No if you did not do it or Yes if you did.

   a. I was dieting (changing my eating habits) to lose weight
   - No
   - Yes

   b. I was exercising 3 or more days of the week for fitness outside of my regular job
   - No
   - Yes

   c. I was regularly taking prescription medicines other than birth control
   - No
   - Yes

   d. A health care worker checked me for diabetes
   - No
   - Yes

   e. I talked to a health care worker about my family medical history
   - No
   - Yes

8. **During the 3 months before you got pregnant with your new baby, did you have any of the following health conditions?**
   For each one, check No if you did not have the condition or Yes if you did.

   a. Type 1 or Type 2 diabetes (not gestational diabetes or diabetes that starts during pregnancy)
   - No
   - Yes

   b. High blood pressure or hypertension
   - No
   - Yes

   c. Depression
   - No
   - Yes

9. **During the month before you got pregnant with your new baby, how many times a week did you take a multivitamin, a prenatal vitamin, or a folic acid vitamin?**
   - I didn’t take a multivitamin, prenatal vitamin, or folic acid vitamin in the month before I got pregnant
   - 1 to 3 times a week
   - 4 to 6 times a week
   - Every day of the week
10. In the 12 months before you got pregnant with your new baby, did you have any health care visits with a doctor, nurse, or other health care worker, including a dental or mental health worker?

- No
- Yes  

Go to Question 13

11. What type of health care visit did you have in the 12 months before you got pregnant with your new baby?

- Regular checkup at my family doctor’s office
- Visit for an illness or chronic condition
- Visit for an injury
- Visit for family planning or birth control
- Visit for depression or anxiety
- Visit to have my teeth cleaned by a dentist or dental hygienist
- Other  Please tell us:

Check ALL that apply

- Yes
- No

Go to Question 13

12. During any of your health care visits in the 12 months before you got pregnant, did a doctor, nurse, or other health care worker do any of the following things? For each item, check No if they did not or Yes if they did.

- a. Tell me to take a vitamin with folic acid...
- b. Talk to me about maintaining a healthy weight...
- c. Talk to me about controlling any medical conditions such as diabetes or high blood pressure...
- d. Talk to me about my desire to have or not have children...
- e. Talk to me about using birth control to prevent pregnancy...
- f. Talk to me about how I could improve my health before a pregnancy...
- g. Talk to me about sexually transmitted infections such as chlamydia, gonorrhea, or syphilis...
- h. Ask me if I was smoking cigarettes...
- i. Ask me if someone was hurting me emotionally or physically...
- j. Ask me if I was feeling down or depressed...
- k. Ask me about the kind of work I do...
- l. Test me for HIV (the virus that causes AIDS)...

Check ALL that apply

- Yes
- No

Go to Question 13

13. During the month before you got pregnant with your new baby, what kind of health insurance did you have?

- Private health insurance from my job or the job of my husband or partner
- Private health insurance from my parents
- Private health insurance from the Health Insurance Marketplace or HealthCare.gov
- Medicaid
- PeachCare for Kids
- TRICARE or other military health care
- Other health insurance  Please tell us:

Check ALL that apply

- Yes
- No

Go to Question 13

14. During your most recent pregnancy, what kind of health insurance did you have for your prenatal care?

- I did not go for prenatal care  Go to Question 15
- Private health insurance from my job or the job of my husband or partner
- Private health insurance from my parents
- Private health insurance from the Health Insurance Marketplace or HealthCare.gov
- Medicaid
- PeachCare for Kids
- TRICARE or other military health care
- Other health insurance  Please tell us:

Check ALL that apply

- Yes
- No

Go to Question 13

15. What kind of health insurance do you have now?

- I do not have health insurance now

Check ALL that apply

- Yes
- No

Go to Page 4, Question 19

16. Thinking back to just before you got pregnant with your new baby, how did you feel about becoming pregnant?

- I wanted to be pregnant later
- I wanted to be pregnant sooner
- I wanted to be pregnant then
- I didn’t want to be pregnant then or at any time in the future
- I wasn’t sure what I wanted

Check ONE answer

Go to Page 4, Question 20

17. When you got pregnant with your new baby, were you trying to get pregnant?

- No
- Yes  Go to Page 4, Question 21

Go to Page 4, Question 20

18. When you got pregnant with your new baby, were you or your husband or partner doing anything to keep from getting pregnant? Some things people do to keep from getting pregnant include having their tubes tied, using birth control pills, condoms, withdrawal, or natural family planning.

- No
- Yes  Go to Page 4, Question 20

Go to Page 4, Question 20

The next questions are about your health insurance coverage before, during, and after your pregnancy with your new baby.
19. What were your reasons or your husband’s or partner’s reasons for not doing anything to keep from getting pregnant?

- I didn’t mind if I got pregnant
- I thought I could not get pregnant at that time
- I had side effects from the birth control method I was using
- I had problems getting birth control when I needed it
- I thought my husband or partner or I was sterile (could not get pregnant at all)
- My husband or partner didn’t want to use anything
- I forgot to use a birth control method
- Other

   Please tell us:

If you or your husband or partner was not doing anything to keep from getting pregnant, go to Question 21.

20. What method of birth control were you using when you got pregnant?

- Birth control pills
- Condoms
- Shots or injections (Depo-Provera®)
- Contraceptive implant in the arm (Nexplanon® or Implanon®)
- Contraceptive patch (OrthoEvra®) or vaginal ring (NuvaRing®)
- IUD (including Mirena®, ParaGard®, Lilletta®, or Skylla®)
- Natural family planning (including rhythm method)
- Withdrawal (pulling out)
- Other

   Please tell us:

DURING PREGNANCY

The next questions are about the prenatal care you received during your most recent pregnancy. Prenatal care includes visits to a doctor, nurse, or other health care worker before you were born to get checkups and advice about pregnancy. (It may help to look at the calendar when you answer these questions.)

21. How many weeks or months pregnant were you when you had your first visit for prenatal care?

   __ Weeks OR __ Months

   - I didn’t go for prenatal care

   Go to Question 23

22. During any of your prenatal care visits, did a doctor, nurse, or other health care worker ask you any of the things listed below? For each item, check No if they did not ask you about it or Yes if they did.

   a. If I knew how much weight I should gain during pregnancy
   b. If I was taking any prescription medication
   c. If I was smoking cigarettes
   d. If I was drinking alcohol
   e. If someone was hurting me emotionally or physically
   f. If I was feeling down or depressed
   g. If I was using drugs such as marijuana, cocaine, crack, or meth
   h. If I wanted to be tested for HIV (the virus that causes AIDS)
   i. If I planned to breastfeed my new baby
   j. If I planned to use birth control after my baby was born

23. During the 12 months before the delivery of your new baby, did a doctor, nurse, or other health care worker offer you a flu shot or tell you to get one?

   - No
   - Yes

24. During the 12 months before the delivery of your new baby, did you get a flu shot?

   Check ONE answer

   - No
   - Yes, before my pregnancy
   - Yes, during my pregnancy

25. During your most recent pregnancy, did you have your teeth cleaned by a dentist or dental hygienist?

   - No
   - Yes

26. This question is about other care of your teeth during your most recent pregnancy. For each item, check No if it is not true or does not apply to you or Yes if it is true.

   a. I knew it was important to care for my teeth and gums during my pregnancy
   b. A dental or other health care worker talked with me about how to care for my teeth and gums
   c. I had insurance to cover dental care during my pregnancy
   d. I needed to see a dentist for a problem
   e. I went to a dentist or dental clinic about a problem

27. During your most recent pregnancy, did you have any of the following health conditions? For each one, check No if you did not have the condition or Yes if you did.

   a. Gestational diabetes (diabetes that started during this pregnancy)
   b. High blood pressure (that started during this pregnancy), pre-eclampsia or eclampsia
   c. Depression

   The next questions are about smoking cigarettes around the time of your pregnancy (before, during, and after).

28. Have you smoked any cigarettes in the past 2 years?

   - No
   - Yes

   Go to Page 7, Question 38

29. In the 3 months before you got pregnant, how many cigarettes did you smoke on an average day?

   - 0 cigarettes or more
   - 1 to 5 cigarettes
   - 6 to 10 cigarettes
   - 11 to 20 cigarettes
   - 21 to 40 cigarettes
   - 41 cigarettes or more

   A pack has 20 cigarettes.

30. In the last 2 months of your pregnancy, how many cigarettes did you smoke on an average day?

   - 0 cigarettes or more
   - 1 to 5 cigarettes
   - 6 to 10 cigarettes
   - 11 to 20 cigarettes
   - 21 to 40 cigarettes
   - 41 cigarettes or more

   A pack has 20 cigarettes.
If you did not smoke at any time in the 3 months before you got pregnant, go to Question 37.

31. During any of your prenatal care visits, did a doctor, nurse, or other health care worker advise you to quit smoking?

<table>

The next questions are about using other tobacco products around the time of pregnancy.

**E-cigarettes (electronic cigarettes) and other electronic nicotine products** (such as vape pens, e-hookahs, hookah pens, e-cigars, e-pipes) are battery-powered devices that use nicotine liquid rather than tobacco leaves, and produce vapor instead of smoke.

A **hookah** is a water pipe used to smoke tobacco. It is not the same as an e-hookah or hookah pen.

### 40. Have you used any of the following products in the past 2 years? 
For each item, check **No** if you did not use it or **Yes** if you did.

- a. E-cigarettes or other electronic nicotine products
- b. Hookah
- c. Chewing tobacco, snuff, snus, or dip
- d. Cigars, cigarillos, or little filtered cigars

If you used e-cigarettes or other electronic nicotine products in the past 2 years, go to Question 41. Otherwise, go to Question 43.

### 41. During the 3 months before you got pregnant, on average, how often did you use e-cigarettes or other electronic nicotine products?

- More than once a day
- Once a day
- 2-6 days a week
- 1 day a week or less
- I did not use e-cigarettes or other electronic nicotine products then

### 42. During the last 3 months of your pregnancy, on average, how often did you use e-cigarettes or other electronic nicotine products?

- More than once a day
- Once a day
- 2-6 days a week
- 1 day a week or less
- I did not use e-cigarettes or other electronic nicotine products then

### 43. Have you had any alcoholic drinks in the past 2 years? A drink is 1 glass of wine, wine cooler, can or bottle of beer, shot of liquor, or mixed drink.

- No
- Yes

### 44. During the 3 months before you got pregnant, how many alcoholic drinks did you have in an average week?

- 14 drinks or more a week
- 8 to 13 drinks a week
- 4 to 7 drinks a week
- 1 to 3 drinks a week
- Less than 1 drink a week
- I didn’t drink then

### 45. During the last 3 months of your pregnancy, how many alcoholic drinks did you have in an average week?

- 14 drinks or more a week
- 8 to 13 drinks a week
- 4 to 7 drinks a week
- 1 to 3 drinks a week
- Less than 1 drink a week
- I didn’t drink then

### 46. This question is about things that may have happened during the 12 months before your new baby was born. For each item, check **No** if it did not happen to you or **Yes** if it did. (It may help to look at the calendar when you answer these questions.)

- a. A close family member was very sick and had to go into the hospital........
- b. I got separated or divorced from my husband or partner......................
- c. I moved to a new address..............................
- d. I was homeless or had to sleep outside, in a car, or in a shelter...........
- e. My husband or partner lost their job...........
- f. I lost my job even though I wanted to go on working................
- g. My husband, partner, or I had a cut in work hours or pay...........
- h. I was apart from my husband or partner due to military deployment or extended work-related travel........
- i. I argued with my husband or partner more than usual..................
- j. My husband or partner said they didn’t want me to be pregnant...............
- k. I had problems paying the rent, mortgage, or other bills..................
- l. My husband, partner, or I went to jail ...........
- m. Someone very close to me had a problem with drinking or drugs...........
- n. Someone very close to me died................

### 47. During the 12 months before your new baby was born, did you feel emotionally upset (for example, angry, sad, or frustrated) as a result of how you were treated based on your race?

- No
- Yes

*This document contains sensitive and personal information. Please handle with care and respect for the privacy and well-being of the individuals. The information is intended for research and educational purposes and should not be used for discriminatory or harmful actions.*
51. After your baby was delivered, how long did he or she stay in the hospital?

- Less than 24 hours (less than 1 day)
- 24 to 48 hours (1 to 2 days)
- 3 to 5 days
- 6 to 14 days
- More than 14 days
- My baby was not born in a hospital
- My baby is still in the hospital

52. Is your baby alive now?

- Yes
- No

53. Is your baby living with you now?

- No
- Go to Page 12, Question 64
- Yes

54. Before or after your new baby was born, did you receive information about breastfeeding from any of the following sources? For each one, check No if you did not receive information from this source or Yes if you did.

- My doctor
- A nurse, midwife, or doula
- A breastfeeding or lactation specialist
- My baby’s doctor or health care provider
- A breastfeeding support group
- A breastfeeding hotline or toll-free number
- Family or friends
- Other

55. Did you ever breastfeed or pump breast milk to feed your new baby, even for a short period of time?

- No
- Yes

56. Are you currently breastfeeding or feeding pumped milk to your new baby?

- No
- Yes

57. How many weeks or months did you breastfeed or feed pumped milk to your baby?

- Less than 1 week
- ___ Weeks OR ___ Months

58. This question asks about things that may have happened at the hospital where your new baby was born. For each item, check No if it did not happen or Yes if it did.

- a. Hospital staff gave me information about breastfeeding
- b. My baby stayed in the same room with me at the hospital
- c. I breastfed my baby in the hospital
- d. Hospital staff helped me learn how to breastfeed
- e. I breastfed in the first hour after my baby was born
- f. My baby was placed in skin-to-skin contact within the first hour of life
- g. My baby was fed only breast milk at the hospital
- h. Hospital staff told me to breastfeed whenever my baby wanted
- i. The hospital gave me a breast pump to use
- j. The hospital gave me a gift pack with formula
- k. The hospital gave me a telephone number to call for help with breastfeeding
- l. Hospital staff gave my baby a pacifier

59. In which one position do you most often lay your baby down to sleep now?

- On his or her side
- On his or her back
- On his or her stomach

60. In the past 2 weeks, how often has your new baby slept alone in his or her own crib or bed?

- Always
- Often
- Sometimes
- Rarely
- Never

61. When your new baby sleeps alone, is he or her crib or bed in the same room where you sleep?

- No
- Yes

62. Listed below are some more things about how babies sleep. How did your new baby usually sleep in the past 2 weeks? For each item, check No if your baby did not usually sleep like this or Yes if he or she did.

- a. In a crib, bassinet, or pack and play
- b. On a twin or larger mattress or bed
- c. On a couch, sofa, or armchair
- d. In an infant car seat or swing
- e. In a sleeping sack or wearable blanket
- f. With a blanket
- g. With toys, cushions, or pillows, including nursing pillows
- h. With crib bumper pads (mesh or non-mesh)

63. Did a doctor, nurse, or other health care worker tell you any of the following things? For each thing, check No if they did not tell you or Yes if they did.

- a. Place my baby on his or her back to sleep
- b. Place my baby to sleep in a crib, bassinet, or pack and play
- c. Place my baby’s crib or bed in my room
- d. What things should and should not go in bed with my baby
64. Since your new baby was born, has a home visitor come to your home to help you learn how to take care of yourself or your new baby? A home visitor is a nurse, a health care worker, a social worker, or other person who works for a program that helps mothers of newborns.

- No
- Yes

Go to Question 66

65. What kind of home visitor has come to your home since your new baby was born?

- A nurse or nurse’s aide
- A teacher or health educator
- A doula or midwife
- Someone else
- I don’t know

Go to Question 68

66. Are you or your husband or partner doing anything now to keep from getting pregnant? Some things people do to keep from getting pregnant include having their tubes tied, using birth control pills, condoms, withdrawal, or natural family planning.

- No
- Yes

Go to Question 67

67. What are your reasons or your husband’s or partner’s reasons for not doing anything to keep from getting pregnant now?

Check ALL that apply

- I want to get pregnant
- I am pregnant now
- I had my tubes tied or blocked
- I don’t want to use birth control
- I am worried about side effects from birth control
- I am not having sex
- My husband or partner doesn’t want to use anything
- I have problems paying for birth control
- Other

Please tell us:

If you or your husband or partner is not doing anything to keep from getting pregnant now, go to Question 69.

68. What kind of birth control are you or your husband or partner using now to keep from getting pregnant?

Check ALL that apply

- Tubes tied or blocked (female sterilization or Essure®)
- Vasectomy (male sterilization)
- Birth control pills
- Condoms
- Shots or injections (Depo-Provera®)
- Contraceptive patch (OrthoEvra®) or vaginal ring (NuvaRing®)
- IUD (including Mirena®, ParaGard®, Liletta®, or Skyla®)
- Contraceptive implant in the arm (Nexplanon® or Implanon®)
- Natural family planning (including rhythm method)
- Withdrawal (pulling out)
- Not having sex (abstinence)
- Other

Please tell us:

69. Since your new baby was born, have you had a postpartum checkup for yourself? A postpartum checkup is the regular checkup a woman has about 4-6 weeks after she gives birth.

- No
- Yes

Go to Question 71

70. During your postpartum checkup, did a doctor, nurse, or other health care worker do any of the following things? For each item, check No if they did not do it or Yes if they did.

a. Tell me to take a vitamin with folic acid .................................................................

- Yes
- No

b. Talk to me about healthy eating, exercise, and losing weight gained during pregnancy .................................................................

- Yes
- No

c. Talk to me about how long to wait before getting pregnant again .................................................................

- Yes
- No

d. Talk to me about birth control methods I can use after giving birth .................................................................

- Yes
- No

e. Give me or prescribe me a contraceptive method such as the pill, patch, shot (Depo-Provera®, NuvaRing®, or condoms) .................................................................

- Yes
- No

f. Insert an IUD (Mirena®, ParaGard®, Liletta®, or Skyla®) or a contraceptive implant (Nexplanon® or Implanon®) .................................................................

- Yes
- No
