LOW THC OIL Physician Certification

Information

To complete a physician certification, physicians:

1. Must have an active MD or DO license in good standing with the Georgia Composite Medical Board.
2. Must have a doctor-patient relationship when certifying an individual as needing Low THC Oil.
3. Must be treating an individual for the specific condition listed in the legislation requiring such treatment.
4. Must conduct a physical exam and review patient history to certify the patient has a qualifying debilitating medical condition. A new physical exam is required each year as part of the patient's renewal process.
5. Must keep a copy of the physician certification in the patient's medical record.

7. Comments: (If no comments, cross through this area to prevent comments after your signature.)

Physician Attestation

I hereby certify that I am a physician duly licensed in good standing to practice medicine in Georgia. I have a bona fide physician-patient relationship with the above-named patient in compliance with state statutes. I have assessed this patient’s medical history and current medical condition and have performed or reviewed appropriate diagnostic tests in making the above-indicated diagnosis. I conclude that this patient is eligible for the use of low THC oil as provided in Georgia law. This authorization is not a prescription.
