* Fully formula fed infants always receive the maximum amount of formula allowed for age. This amount must be no less than the full nutritional benefit and no greater than the maximum amount for age.

** Amount needed per day will be issued based on the amount requested on the Medical Documentation Form 1, but not to exceed the maximum allowed.

† Infant age is rounded up to the next month on the 16th day of each month. For example, an infant that is 3 months and 16 days will receive formula in amounts for the 4 months issuance category.
