

GEORGIA INFECTIOUS DISEASE TRANSPORT

Operations & Technician-Level Courses Available

The **Operations Level** and **Technician Level** courses will be available in-person in October 2018 - March 2019. These courses will be highly interactive and are **open to all EMS personnel!** Space in each class is limited, so be sure to sign up today!

NOTE: You must have completed the Operations Level training prior to taking the more advanced Technician Level course, so plan accordingly.
