

Notice to all Licensed Ambulance Services Within EMS Region 4

On March 5, 2018, during a called meeting of the West Georgia Emergency Medical Services Council (EMS Region 4), a motion was approved to open Ambulance Zoning in the Spalding County Zone on March 14, 2018.

In accordance with O.C.G.A. 31-11-3(b), the EMS Council, which has been designated by the Georgia Department of Public Health (Department) as the Local Coordinating Entity for zoning matters in EMS Region 4, is requesting from each interested licensed ambulance service a written description of the territory in which it can respond to emergency calls based upon the provider's average response time from its base location within such territory. The written proposal must address the statement above and should include any additional information the proposer believes will assist the EMS Council in making a recommendation to the Department that best addresses economy, efficiency, and benefit to the public welfare.

Written proposals will be accepted beginning **March 14, 2018 at 08:00 am** and the last day that that proposals will be received is **March 23, 2018 at 05:00 pm**. Proposals received prior to or after the date and times above will be returned, unopened to the proposer. Proposals may be mailed USPS, special carrier, or delivered to:

Region 4 EMS Council
Spalding County Zone
c/o Office of EMS and Trauma
1680 Phoenix Blvd, Ste 200
Atlanta, Georgia 30349

Email and other forms of electronic delivery of proposals **will not** be accepted.

The EMS Council will hold a called meeting on April 2, 2018 at 1pm at the Coweta County Fairgrounds, in Newnan, GA to approve any recommendation to the Department related to the proposals received. Any such recommendation will be based primarily on the considerations of economy, efficiency, and benefit to the public welfare.
