Register for a New Account

This tutorial steps through the process of registering for a new account in PMP AWARxE. You can create an account, but it must be approved by your state PMP Administrator (validation requirements may apply).

This Tutorial Covers how to:

- Create an Account
- Select your Role
- Complete the Application Process
- Check for Validation Requirements
- Submit Validation Documentation

Badge Number *

Complete Application Process

Some personal and employer information is required to gain access to PMP AWARxE.

- Required fields will be indicated by a Red Astrisks *
- In the Personal Section, Multiple DEA numbers can be entered if necessary

Save Time with AutoFill

Use information from your DEA number to populate the form by clicking ‘AutoFill Form’. Information from that DEA number will be automatically filled into the rest of the personal information for you.

Scroll down to continue to the Employer Section.
Complete Application Process

- Complete the Employer section, making sure to complete all required fields
- AutoFill will automatically fill in information from the ID number you’ve provided

Once all information is entered, click ‘Submit Your Registration’.
**Welcome**

Based on the User Roles you’ve chosen, you may be required to submit additional documentation. You will receive an email with instructions and the necessary forms to be submitted. Once all validation documents are met, your registration will be reviewed for approval. Watch your email or log in for status updates.

</table>

**Upload validation documents**

---

**Check for Validation Requirements**

Once you’ve submitted your information, a welcome screen will appear that displays the status of your account.

**Account Status** - appears in the upper right corner

- **Not Complete**: Means further documentation is required. Check the validation requirements in 'Your User Roles' section. Information and links to the necessary forms will be provided.
- **Pending Approval**: Means all documentation requirements have been met and the account is awaiting administrator review.

**Validation Requirements**

Depending on your role, you may be required to submit additional information. These requirements are displayed under 'Your User Roles' including links to necessary forms. You will also receive an email with instructions and the necessary forms to complete.
Welcome

Based on the User Roles you’ve chosen, you may be required to submit additional documentation. You will receive an email with instructions and the necessary forms to be submitted. Once all validation documents are met, your registration will be reviewed for approval. Watch your email or log in for status updates.

Submitting Validation Documents

Once completed, the forms can be uploaded directly into your PMP AWARxE account or mailed to your state office.

Once Documentation is uploaded, the ‘documentation received’ field will show a green check and state that the documents were uploaded.

Upload validation documents

Registration Complete - Pending Approval

Once all documentation requirements are met, the account status will change to a ‘Pending Approval’ Status until the state PMP administrator approves the account. You will receive an email stating that your account is active. At that time, use your email and password created during this process to log in and begin using PMP AWARxE.
