

GEORGIA PRAMS

Your baby depends on you!

Data Request Process

To request Georgia PRAMS data, please contact PRAMS Coordinator at DPH-GeorgiaPRAMS@dph.ga.gov.

Datasets for analysis or aggregate data can be provided upon request.

After receiving approval from Georgia PRAMS, proceed to the Public Health Information Portal (PHIP) to complete the data request from the Georgia Department of Public Health.

PHIP Data Request: <https://dph.georgia.gov/hip-data-request>

CDC PRAMS also has Georgia PRAMS data available via PRAMStat at <http://www.cdc.gov/prams/pramstat/about/index.html>.
