FROM: Debra L. Keyes, MA, RD

RE: Presumptive Eligibility Change

Effective January 1, 2014, applicants who apply for Presumptive Eligibility will not be required to provide medical verification of pregnancy. The applicant statement regarding being pregnant is all that is required. Whereas proof of pregnancy is not a requirement to qualify for WIC, the program thought it would be important to inform you of this change.

If you have any questions, please contact Abeda Hannan at (404) 656-9840.
