Don’t let this bad bug bite you

Heading to one of these countries?

- Use EPA registered insect repellents containing DEET (available in shops on the concourse).
- Use while you travel and for three weeks after returning home.
- Wear protective clothing (long sleeves, long pants and socks).
- Stay in places with air conditioning or window and door screens.
- Sleep under a mosquito net.

Find out what it takes to stop Zika
Please visit dph.georgia.gov/zika

The Aedes aegypti mosquito spreads Zika virus, which can cause serious health issues.
