**Body Flex:** This total body strength training workout uses barbells, dumbbells, and various resistance training equipment to achieve maximum strength benefits. Shape and sculpt your body in this effective format. This class is appropriate for all levels.

**Kettlebell Strong:** This introductory kettlebell class teaches you the basics of kettlebell lifting. Broaden your fitness horizon by improving your strength, mobility, or stability with different size kettlebells.

**Fit4Life (AKA 50 + Fit):** This format is designed focusing on balance, strength, and agility. This class has proven success and encompasses strategies in maintaining the necessary functional movement skills to improve your quality of life.

**In The Zone:** Introducing the concept of heart rate zone training, this cardiovascular focused class will meet you where you are as we hit each of your personal 5 zones: recovery, fat-burning, blood and muscle efficiency, speed endurance, and epoc overload. \*Personal heart rate monitor strongly encouraged but not required\*

**Mobility 101:** In order to perform at a high level, your body needs to work with high efficiency within its joints. Take this low intensity class to better prepare your body to perform higher level exercises in other classes. This class takes you through different stretches for your overused joints such as the ankle, hip, and shoulder.

**Cycle:** Get ready for the ride of your life and kick your workouts into high gear! Each session can burn 400+ calories! Guaranteed to make you sweat, this 45 minute class is for all levels. Bikes are on first come first serve basis

**Muscle Pump:** Do you want to hit a specific muscle group each week? If so, this is the class to attend! In Muscle Pump, we target certain muscle groups each class to give the "pump". This will help you increase muscle mass and strength. Be ready for a challenge!

**Dance Break:** learn the basic fundamentals and more from your traditional and modern dances like hip hop, Latin, and balli. These moves won't take long to get you a little winded. So come make your body work and give your brain a break!
