Deficiencies found on the inspection are marked with a (X). A check mark (✓) indicates satisfactory compliance, and (N/A) means non-applicable. * indicates a substantial health hazard. Other items may be considered substantial health hazards depending on severity. The pool must be closed until substantial health hazards are corrected. One or more substantial health hazards violated, two or more other items violated or repeated violations will result in an unsatisfactory rating. An unsatisfactory rating may result in enforcement action.
