Bootcamp: We want to keep you guessing – and challenge you differently in every class! Workouts are designed to improve your overall fitness – strength, cardio, flexibility, agility and endurance! Have fun – work hard!

Turbo Kick: One of the most popular cardio kickboxing classes in the country, Turbo Kick is a fun, high energy class that can be performed by anyone regardless of fitness level. It is a great way to achieve maximum results in a short amount of time. Perform high intensity intervals combined with classic kickboxing maneuvers.

Step & Pump: An interval class that mixes step aerobics and strength training in one incredible workout. A great choice for someone who doesn't have 2 hours to spend in the gym!

Cycle: Get ready for the ride of your life and kick your workouts into high gear! Each session can burn 400+ calories! Guaranteed to make you sweat this 45 minute class is for all levels. Bikes are on first come first serve basis.

HIIT: "High Intensity Interval Training" has been scientifically proven to be the most effective way to pack in a high caloric, fat burning workout in a short period of time. In this class, your heart rate will be on a 30 minute roller coaster, and when you leave, your metabolic rate will be through the roof for the next 24 hours.

BOSU Strength: Ever wondered all the amazing things you could do on one BOSU ball? This is the class for you. Get a full body, balance, strength and cardio workout with this one piece of equipment!

Body Sculpt: This total body strength training workout uses barbells, dumbbells, and various resistance training equipment to achieve maximum strength benefits. Shape and sculpt your body in this effective format. This class is appropriate for everyone.

Butts & Guts: Work your hips, thighs and butts and your core muscles all during this toning workout! The focus is on your lower body including abdominal work. Plus you will use balance and stability to tone and strengthen.
