

Athletic Event – Observation Worksheet

1. Date: _____
 3. School District Name: _____
 5. Observer name(s): _____

2. Time Worksheet Completed: _____
 4. School Name: _____

Tips for completing:

- Complete this section with data collection teams in order to determine current signage location and any gaps.
- One worksheet should be completed for each of the two (2) regular season home sports game attended.
- Form can be used for football or other fall season sports game.

NOTE: This tool is meant to help to determine where signage is located and where it may be considered. It is not meant to imply that signs need to be in all these locations.

Actions	Pregame	1 st quarter	2 nd quarter	Halftime	3 rd quarter	4 th quarter	Postgame
